- Service and
- Sustainability

### PROGRAMS

- Banking Technology and Accounting
- Computerized Accounting
- Business Administration

"Education must not simply teach work—it must teach life."  
- W.E.B. DU BOIS, American Civil Rights Leader and Writer

### MOHAMMED ASUMAH

Mohammed Asumah is 18 years old. He is from Sampa in the Brong-Ahafo Region of Ghana. Mohammed's parents are traders.

Mohammed heard about Palm Institute of Strategic Leadership from one of his high school teachers and also from his brother who is a second-year student at Palm Institute.

*"I chose Palm Institute because of their values and the qualities they uphold. The courses I studied while I was in high school fall in line with what Palm Institute is offering."*

Mohammed feels that he is encouraged to think deeper, which will prepare him once he enters into the work force.

*"The class sessions are very practical and informative and I see the lecturers to be very knowledgeable in their respective fields. I feel the kind of education being given here is different in the sense that I am able to relate what I am being taught to the real world"*

Mohammed is studying Computerized Accounting

Palm Institute

@palm\_institute

at Palm Institute. He hopes to become Manager in the near future. He believes that with the quality education he receives from his teachers, he will be able to achieve his dreams. He feels he has seen a significant improvement in his typing skills and public speaking skills.

Mohammed has been awarded a partial scholarship that greatly assists him and his family.
