

5th Matriculation Ceremony

Vote of Thanks

Board Members, The Founder, President, Management, Faculty, Staff, our most valued invited guests, colleagues, ladies and gentlemen, good afternoon. It is my privilege to have been asked to give the vote of thanks for this occasion.

I completed Senior High school in 2012 with the dream of becoming an Auditor. I got admission into a program that offered a Diploma in Accountancy that same year. Unfortunately, I had to drop out due to financial challenges. Afterwards, the journey to reach my dreams became a real struggle. Most students here today have similar stories to share.

We would like to thank God for an opportunity like this to pursue our dreams. Our deepest gratitude goes to NAPE Foundation and Palm Institute who have given us hope, a chance to become future leaders, entrepreneurs and the power to change our stories. We would like to extend our deepest appreciation to the Board, invited guests and all who have been supporting this vision from the beginning until today.

Finally, a big thank you to our families, mentors, friends, loved ones and all who have helped us reach this milestone. Fellow matriculants and all students present, it's our turn to make good use of what has been given to us and I believe with determination and prayer, we can achieve excellence.

Thank you.
